EMR (electronic medical record)

Our practice uses a computerized health record, called an EMR. It takes time to enter your information into the computer. **It would be very helpful if you would complete your New Patient forms and then mail (or fax or e-mail) them to us before your appointment.** If you do not send these forms, your visit could be delayed while we update the computer before you see the doctor. Email your forms to: obgyn@fowh.com.

Please arrive early for your FIRST appointment

It takes time to enter or update your personal, insurance and health information. At your first visit we scan your driver's license and insurance card for entry into our EMR. We guarantee to keep all of your personal information private. This is the law (a Federal law called HIPPA).

We charge for a "no-show"

Please call us at least 24 hrs in advance if you are unable to keep your appointment. There is a \$25 charge for a no-show appointment (waived if you make and keep the next appointment). When you do not show up or call ahead to cancel, we have lost the chance to have another patient use that appointment time.

Parking – we do not validate

Please note that you pay the cashier BEFORE returning to your car. To save money (but with a little more walking) some patients park in the Huntington Hospital EAST Parking structure, a building just south of ours. The entrance is off Fairmount Ave. across from the Emergency Dept.

Lab

We have an on-site lab, called Primex. This is where most of our standard lab tests are run except pap smears and biopsies. It is your responsibility to know which lab your insurance is contracted with. **If your insurance requires you to use a different lab than mentioned above, please let us know.**

Feel free to call us at any time if you have any questions. Call (626) 304-2626.
Thank you for trusting us with your medical care. We look forward to seeing you!
